

## NOVEMBER RAIN – GUNS N’ ROSES

When I look into your eyes  
I can see a love restrained  
But darlin' when I hold you  
Don't you know I feel the same?

Nothin' lasts forever  
And we both know hearts can change  
And it's hard to hold a candle  
In the cold November rain

We've been through this such a long long time  
Just tryin' to kill the pain, ooh yeah  
Love is always coming, love is always going  
No one's really sure who's lettin' go today  
Walking away

If we could take the time to lay it on the line  
I could rest my head just knowin' that you were mine  
All mine

So if you want to love me then darlin' don't refrain  
Or I'll just end up walkin' in the cold November rain

Do you need some time on your own?  
Do you need some time all alone?  
Ooh, everybody needs some time on their own  
Ooh, don't you know you need some time all alone

I know it's hard to keep an open heart  
When even friends seem out to harm you  
But if you could heal a broken heart  
Wouldn't time be out to charm you?  
Oh, oh, oh

Sometimes I need some time on my own  
Sometimes I need some time all alone  
Ooh, everybody needs some time on their own  
Ooh, don't you know you need some time all alone

And when your fears subside  
And shadows still remain, oh yeah  
I know that you can love me when there's no one left to blame  
So never mind the darkness, we still can find a way  
'Cause nothin' lasts forever, even cold November rain
